Info Lit Col members,

I would like to suggest that we meet to discuss the remaining projects. In addition to the presentation on Thursday, May 13, 2010, the Col is also responsible for completing the SCHEV Assessment Report. Since SCHEV has not suspended the value-added mandate, we are still required to complete the report. I have placed the template and examples on SharePoint. The report is due Friday, May 21, 2010. In addition, faculty Col members must also complete the two-page reflection essay.

If the suggested times are inconvenient for the majority, please let me know.

Thank you,
Katrice
