Info Lit Col,

While the Col has completed its assignments, an Information Literacy Assessment Committee is still needed. I hope that you all will agree to serve. With an early start, a clear focus, and your expertise, I'm confident that we can work to ensure that the University's information literacy initiatives are coherent, consistent, and accessible to the University community.

FYI

Kraemer, E. W., Lombardo, S. V., and Lepkowski, F. J. (2007). The librarian, the machine, or a little of both: A comparative study of three information literacy pedagogies at Oakland University. *College & Research Libraries*, 68 (4), 330-342. Find the article at: <http://crl.acrl.org/content/68/4/330.full.pdf+html>

Thank you,
Katrice
