Hi Enrique,

Here is the link to the accent discrimination site that we mentioned. www.williamhartphd.com/service/accent-discrimination

Notice the link back to the COI page. Please share this address with others. We'll post the PowerPoint there, if that's O.K. with you. Yes?

Also, did you get the photo that I took of you during the morning session. It is O.K., if you want to post it in your photo collection. You should be seen too.

Speaking of photos, could you send me a photo that shows me at the presentation this morning and at the presentation this afternoon.

There are some other things I want to talk with you about, but I'll save that until later.

Bill
