Hi Dawn,
Please see the email below from Mona.
Also, do you have a current list of registered participants for my workshops?
Also, what is the location for my workshop?
Bill

Dr. Hart:
I think I registered for your session listed below, but will be unable to attend because I have been asked by my department to work with New Student Orientation during this period. Sorry.

Flipping, Appiying and Gamifying the Classroom, Dr. William Hart
This workshop will provide hands-on experience on how to successfully integrate games into the classroom. In order to add games to your class, you may also need to flip the classroom and use apps on mobile devices. Flipping and appiying will also be discussed. Please bring your mobile device (smartphone, iPad, tablet, or laptop) to the session
