Hi Malcolm,

Please see the emails below. Note especially my questions. In addition to those questions I have some others.

Will there be anybody there to introduce me and run the DVD and other equipment ready? Or do I need to take care of that?

I plan to bring my presentation on my iPad. I have an adapter that connects the iPad to a standard VGA connection. That's O.K.?

I can arrive at about 6:40. That's O.K.?

Dear Bill, The DVD is in Mia Smith's office. You can certainly do a ppt before the film. I would speak with Malcolm Jones about it, however, and plan to arrive nice and early to smooth out the tech stuff. I'll be there tomorrow. (I'm in Boston right now.)

Fondly, PL

Hi Page,

My "Jungle Fever" presentation is at 7 p.m. this Wednesday (Oct. 16th), correct? Location?

Will I be able to present some material (PPT, video clips, audio) on a screen? You have the video (DVD, etc.) already, right?

Thank you for the opportunity share my thoughts on the topic.

Bill
