Good morning!

Due to the large amount of proposed agenda items that are normally submitted for the last curriculum meeting of the semester, the Committee Convener is requesting that only proposals which require action for spring 2011 are submitted.

All proposals that do not require action until summer/fall 2011, will be visited during the spring 2011 meetings (schedule attached).

Please share this information with your faculty.

If there are any questions, please email or call me.

Thank you!

Stacie
